

CROWNED EAGLES GLOBAL LLP

THE LAST-DAYS NOAH'S ARK FOR HUMANITY

*A Story of Obedience, Courage, and Global Restoration
interpreted by Shekinaih Siew Sin Yap and J Aaron K David.*

WHEN PURPOSE OVERRIDES COMFORT

In an age defined by acceleration, uncertainty, and a quiet global fatigue born of humanity's search for meaning, certain stories rise above trend and timing. They do not compete for attention; they command stillness. CROWNED EAGLES GLOBAL LLP is one such story. It is not merely a corporation. It is not merely a ministry. It is the outcome of obedience—costly, unwavering obedience—to a divine calling that could not be postponed, diluted, or ignored.

At its core stand two leaders whose lives were irrevocably altered by what they felt was a summons from THE TRINITY of the Bible: Shekinaih Siew Sin Yap, Founder, and J Aaron K David, Co-Founder (with early foundational Co-Founder by Jose XuDong). Their journey is not one of ambition, but of surrender. Not of personal elevation, but of global responsibility. This obedience has not gone unnoticed.

In 2025, Shekinaih Siew Sin Yap was formally recognised on the international stage for her contribution to humanity and leadership. She received the Divine Restoration Ignition Award at Manila Up! International Magazine's 10th Anniversary, held in California—an honour reserved for leaders whose influence restores systems, lives, and destinies. In the same year, she was awarded the CERTIFICATE OF HONOR Distinguished Emblem for Positive Social Development by the United Peace Keepers Federal Council (UNPKFC), acknowledging her measurable impact on social development and global well-being. Her leadership was further affirmed through her participation and recognition at the Global Leadership Summit 2025, where she stood among global leaders advancing unity, peace, and sustainable development.

Yet these recognitions came after obedience—not before it.

TWO LIVES, ONE ASSIGNMENT

Every divine mandate requires alignment. For Shekinaih, that alignment came in the form of J Aaron K David—a man whose strength is not expressed in volume, but in depth. Where Shekinaih carries revelatory clarity and execution, J Aaron K David brings grounded co-execution. Where vision breaks forth, structure follows. His leadership—calm, composed, and resolute—has become the stabilising force behind CROWNED EAGLES GLOBAL LLP's global expansion. His contributions, too, have been internationally recognised.

In 2025, J Aaron K David received the Transformational Leadership Award at Manila Up! International Magazine's 10th Anniversary, honouring his quiet yet decisive role in guiding individuals and institutions through lasting change. That same year, he was

awarded CERTIFICATE OF HONOR Distinguished Emblem for Positive Social Development by UNPKFC, recognising his dedication to fostering social progress and community advancement. His leadership journey reached a global milestone when he was conferred by the Global Leadership Achievement Award 2025 at the Global Leadership Summit, held in conjunction with the 80th Anniversary of the United Nations, recognising his contribution to international cooperation, peace, and sustainable leadership.

Their partnership is not built on convenience or charisma. It is forged through shared obedience to the same divine instruction. Together, they did not set out to build an organisation. They responded to a calling they felt; to build THE LAST DAYS NOAH'S ARK, as directed by Heaven.

THE SEVEN ROLES: HEAVEN'S OPERATING SYSTEM ON EARTH

Crowned Eagles Global LLP operates through Seven Defined Roles, each functioning as an extension of Heaven's order applied to Earth's realities. These roles form the backbone of what they have come to know as **THE HEAVEN'S THRONE ROOM MINISTRY ON EARTH:**

1. BRIDGE BETWEEN HEAVEN AND EARTH

Serving as an advocate between divine wisdom and humanity, to plead on behalf of humanity, nation, country, community, individuals in the court of Heaven, ensuring the moral clarity, truth, and responsibility are not lost in times of global uncertainty, restoring alignment where confusion prevails.

2. PROVIDER OF HEAVEN'S SOLUTIONS FOR HUMANITY

Delivering principles and answers that address real human challenges with wisdom, compassion and foresight. Delivering practical, strategic, and executable solutions to problems considered unsolvable.

3. ALERTS TO PREPARE HUMANITY FOR WHAT LIES AHEAD

Equipping leaders, nations, cities, communities, family and

individuals to navigate future disruptions with foresight and wisdom.

4. APPOINTMENT AND ALIGNMENT OF LEADERSHIP

Affirming leadership assignments in nations, institutions, and global systems according to divine order. As it is written, "Behold" What is established in Heaven must be executed on earth for the good of all. Given the role by Heaven to execute Heaven's decree on earth in appointing leaders of nations, countries and all happening under Heaven.

5. HEALING AND RESTORATION OF HUMANITY TO ITS PERFECTED STATE

Bringing hope, renewal and transformation so that humanity can be restored to its original purpose and dignity. Addressing not only physical healing, but identity, purpose, and destiny restoration.

6. SOLVING ALL UNSOLVABLE PROBLEMS

Bringing higher solutions to humanity's most complex problems, intervening where systems reach dead ends, unlocking outcomes beyond conventional limitation.

7. DESTINY IMPARTATION

Together, these roles redefine leadership—not as dominance, but as stewardship.

THE LAST-DAYS NOAH'S ARK

History teaches that before every major transition a refuge is prepared. CROWNED EAGLES GLOBAL LLP stands as a “LAST DAYS NOAH’S ARK”—not constructed of wood, but of truth, alignment, and obedience. It exists for those who recognise that old systems no longer hold and familiar structures no longer protect. This ARK is not exclusive; it is selective by alignment, not status.

The international recognitions awarded to Shekinaih and J Aaron K David—spanning humanitarian impact, transformational leadership, and global cooperation—serve as external affirmation of an internal calling. Yet both leaders remain unwavering in one truth: they do not lead for awards; awards follow obedience. Their work has quietly influenced leaders, restored families, redirected businesses, and reshaped destinies—often unseen, often uncredited, always intentional.

A CALL TO THE READER

This is not merely their story. It is an invitation. CROWNED EAGLES GLOBAL LLP invites readers to reconsider leadership, purpose, and responsibility in the final days of an old world—and the emergence of a restored one. It challenges the assumption that power must corrupt, authority must dominate, and destiny is reserved for the few.

Through the obedience of Shekinaih Siew Sin Yap and J Aaron K David, a structure has been raised for humanity's preservation and elevation—THE ARK for leaders, THE ARK for nations, THE ARK for those willing to choose alignment over convenience. History will not remember those who waited for certainty. It will remember those who obeyed when clarity was costly. CROWNED EAGLES GLOBAL LLP stands not as a monument, but as a living assignment—THE HEAVEN'S THRONE ROOM MINISTRY ON EARTH, for such a time as this.
